

MODEL 1810

18' Diameter, Full Size Game Mound

Pitch Pro's Model 1810 is an 18' diameter, full size game mound. As with the rest of our product line, We have engineered a full size game mound that comes with the same high-quality rigid design as our other game mounds. The Model 1810 is a six piece 'snap together' game mound designed straight from the MLB Rulebook. This new mound will provide a FULL line of game mounds to satisfy every customer need.

- Extremely rigid mound without dead spots
- Highest grade and dense turf available that requires NO messy CRUMB RUBBER
- Snap together assembly with no tools
- 6"X6"X24 four sided rotational rubber
- Perfect for all levels of play requiring an 18' diameter mound
- Can be offered with or without turf - Field construction/project managers can match the turf specified for their project
