

MODEL 508

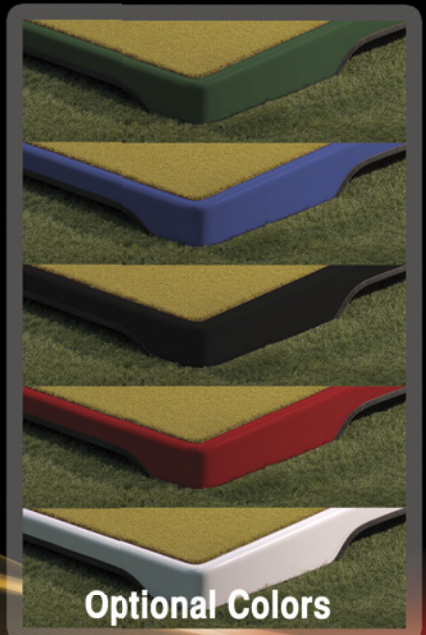

Batting Practice Platform

- High-Tech composite construction. Provides extremely rigid surface.
- Small footprint on turf. Will not leave large marks on field.
- Tapered sides. Allows air flow under mound to prevent grass from wilting.
- Marine-grade gel coats. Completely waterproof and UV resistant.
- AstroTurf® game turf. Highest-quality turf available.
- Versatile. Good for indoor or outdoor applications.
- Optional Wheel Kit. Wide turf tires will not rut playing surface.
- All components are completely manufactured in the USA.
- Fast delivery. Products are stocked and orders ship within days, not weeks.
- Drop shipping available.
- 5-year warranty for indoor and outdoor use.
